HEFEI UNIVERSITY

A University with genes of Reform

厚德博学

Morality and Knowledge

善思致用

Mind and Hand

Fast Facts

With “localization, application and globalization” as its motto, Hefei University has cultivated a large number of graduates with innovative thoughts, scientific attitudes and practical ability.

Hefei University, approved by the State Ministry of Education of China in 2002, was established on the basis of the amalgamation of Hefei Associated University, Hefei Education College and Hefei Normal School. Hefei University is a full-time comprehensive university which offers a wide range of programs and courses including literature, science and education with equal importance to all disciplines while laying emphasis on engineering, economics and management.

FOR DETAILED INFORMATION, VISIT WWW.HFUU.EDU.CN

With nearly thirty-five years of development, the university has grown from one department with 6 faculty members into a university with an enrollment of more than 17,000 students.
